

PROFILE OF SEIC GRADUATE

(Space Engineering International Course)

1. Your photo

2. *Your passport name -- just for the record.*

PHAM KIM CUONG

3. *The full name you wish us to use in the website.*

PHAM KIM CUONG

4. *Your email address that we can use in the website (e.g., Gmail address).*

cuongpk.91@gmail.com

5. *Your country, and city of residence -- for website.*

VIET NAM, Ha Noi

6. *Where you received your bachelor's degree, and when.*

I received my bachelor's degree at University of Engineering and Technology, Vietnam National University, Ha Noi in December of 2013.

7. *Where and when for degrees higher than the bachelor level (before*

coming here)

I have never taken a degrees of higher than the bachelor level before coming Kyutech.

8. *If you are a PNST Fellow, where/how did you find out about PNST?*

I'm not a PNST student.

9. *What attracted you to SEIC in the first place?*

Collaboration with international students in space engineering.

10. *What are the strengths of SEIC?*

Provide the hand-on training for students on satellite development.

11. *What did you enjoy about studying in Japan?*

- Professional environment of working and studying.

-Environment is very clean. SO, I don't have to concern about the criminal, social's vices...

12. *You are about to graduate with what degree?*

- Masters, Phd, or pending.

Master.

13. *What is the title of your graduation thesis?*

"Thermal analysis, design and testing for a 50cm Ocean Observation Satellite, Micro Dragon".

14. *Please list the conferences that you attended while at Kyutech.*

(name, dates, and location)

Japan Aeronautics and Space Society conferences, November 18 2016, Kyushu University Ito Campus.

15. *When did your study at Kyutech start (month and year)?*

I started in September of 2015.

16. *On what date (day month year) do you leave Japan? (Ignore this question if your studies do not end in 2017.)*

I will leave Japan in 25th of September.

END
