

PROFILE OF SEIC GRADUATE

(Space Engineering International Course)

1. *Your photo*

2. *Your passport name -- just for the record.*

ZARATE SEGURA GUILLERMO WENCESLAO

3. *The full name you wish us to use in the website.*

WENCESLAO ZARATE SEGURA

4. *Your email address that we can use in the website (e.g., Gmail address).*
gw.zarate.999@gmail.com

5. *Your country, and city of residence -- for website.*

Country: Peru, city: Lima

6. *Where you received your bachelor's degree, and when.*

I received in Lima-Peru my bachelor degree at National University of Engineering on March 2015.

7. *Where and when for degrees higher than the bachelor level (before coming here)*

I didn't have any degree higher than bachelor degree before coming to Kyutech

8. *If you are a PNST Fellow, where/how did you find out about PNST?*

I am not PNST student.

9. *What attracted you to SEIC in the first place?*

SEIC program covers interesting courses from science until engineering. I wished to continue study physics but as an applied science performing more experiments to contrast theory and real experiments.

10. *What are the strengths of SEIC?*

I believe that when you are a SEIC student, you are already involved in some projects to help and learn from a real cubesat which are going to be launched soon. The other point is that international interactions between other students from other countries really motivate to explore further other cultures.

11. *What did you enjoy about studying in Japan?*

Studying in Japan was the most exciting adventure. In university you have the materials and resources to continue researching and the support and experiences from other professor. Outside university they're many clubs to meet other people or to study Japanese culture and language.

12. *You are about to graduate with what degree? - Masters, Phd, or pending.*

Master

13. *What is the title of your graduation thesis?*

Plasma drag Force Enhancement by Ions Collisions on High Voltage Conductive Panel on a cubesat

14. *Please list the conferences that you attended while at Kyutech. (name, dates, and location)*

Ukaren, September 9-14, Hakodate-Hokaidou

15. *When did your study at Kyutech start (month and year)?*

October 2015

16. *On what date (day month year) do you leave Japan? (Ignore this question if your studies do not end in 2017.)*

6 October 2017
